

Děti si můžou vybrat, kterou variantu malého z se naučí psát.

The image shows a handwriting practice sheet for the cursive letter 'z'. It is divided into two columns, each representing a different variant of the letter. The first column is for the 'RYBIČKA' (fish) variant, and the second is for the 'VLNKA' (wave) variant. Each column has a large blue 'z' at the top with handwritten annotations: 'STARTUJE LETADLO' (starts like an airplane) and 'MISTIČKA NA 1 HRÁŠEK' (hook on 1 pea) for the fish variant; and 'ZAČÁTEK JAKO U / M' (starts like U / M) and 'VLNKA' (wave) for the wave variant. Below these are three rows of smaller 'z's for tracing, with the starting hook of each letter highlighted in red. The word 'OCÁSEK' (tail) is written in blue next to the end of each large 'z'.
